AN INDEPENDENT ART SPACE IN PARIS

A documentation of the art space located in the center of Paris and programed by Lionel Bovier and Clément Dirié. Over the last four years it has developed an out-of-the-ordinary identity, partly because it is associated with JRP|Ringier, Les presses du réel, and Anna Sanders productions. Artists such as John M Armleder, Yto Barrada, Gianfranco Baruchello, Ericka Beckman, Walead Beshty, Ronan & Erwan Bouroullec, Sylvie Fleury (with Charlotte Posenenske's work), Sheila Hicks, Scott King, Ana Jotta, Lucy McKenzie & Beca Lipscombe (with Marc Camille Chaimowicz), David Noonan, Paulina Olowska, and Mai-Thu Perret, have exhibited there and crossed paths with Guy de Cointet, Lettrism, the Japanese avant-garde, Black Panther posters, and many other printed matter-focused projects.
