ARTIST'S BOOK

For this artist's book, Wade Guyton decided to print a large-format painting on a 1:1 scale. Flipping through the 360 pages, one looks at the fragments of a unique work, which could potentially be reconstructed by joining the pages together. In a sense, this book is a reflection on the questions of reproduction, the original, the source, and re-formation at the heart of Guyton's practice. If it could be said that Guyton's minimalistic "paintings," which connect directly to abstraction's history, conjure a restructuring of Modernist art and decor, this book offers a mise en abyme of these procedures.
