

SYLVIE FLEURY

SCANDAL - HOT ROD

CATEGORIES: [Clothing](#), [Lifestyle](#)

SPECIFICATIONS:

DESCRIPTION

Since the early 1990s, Swiss artist Sylvie Fleury has been exploring the crossovers between art, fashion, tuning, and the New Age aesthetic. Initially used for wall paintings, the artist's "Hot Rod" visual is revisited here for Vilebrequin as men's and women's swimwear as well as accessories. And what could be more appropriate ?

Care :

To take care of your favourite Unisex Beach Towel, we advise you to follow our suggestions below:

- Wash your Beach Towel at 30°C with similar colors.
- Do not use oxygenated or chlorine based bleach/ stain removers.
- Air-dry your Beach Towel and do not use tumble dryer.
- Regular steam or dry iron inside out, with maximum setting at 150°C.
- Do not dry clean your Beach Towel.
