DESCRIPTION

American-Dutch artist Peter Schuyff has often expressed that he likes to surround himself with his paintings, that an abundance of them keep him warm.

Inspired by that sentiment, JRP|Editions is thrilled to present *20 Hours*, a limited-edition wool blanket.

Peter Schuyff made a name for himself in the 1980's with his unique approach to abstract painting that he continues to develop today. In his work he combines generic abstract motifs combined with classical, pre-Modern techniques to create very strong light effects. As his daily work involves painting hundreds of layers of transparent colors in a quasi meditative state, he's inclined to quantify this process. Thus the title of the painting he used to create this blanket is *20 Hours*.

Snuggle yourself in this work of art, carefully crafted to capture the spirit of Schuyff's artistry.
