DESCRIPTION

Released to accompany JRP|Editions 2024 book *Love is Forever, Isn't It?*, this limited edition closely produced with the Estate of Dorothy Iannone is completely representative of Iannone's visual style and approach to art and life.

Excerpted from the book *The Berlin Beauties, or You Have No Idea How Beautiful You Are* she published with her intimate friend Mary Harding in Berlin in 1978 (The Mary Dorothy Verlag. The Passion Press), it blends drawing and text to propose a powerful and poetic image dedicated to ecstatic friendship, female autonomy, and the merging of art and love.
