STEFAN BRÜGGEMANN

TWO LINES (FAITH) - SILVER, I

CATEGORIES: Unique Works, Multiples

SPECIFICATIONS:

DESCRIPTION

This series by German - Mexican artist combines precious metal leaf with raw spray-painted gestures. Two lines—red or black—intersect to form a cross, evoking both minimalist composition and spiritual symbolism. The contrast between refined materials and impulsive mark-making reflects a tension between faith and doubt, permanence and immediacy. Each work stands as a quiet yet powerful meditation on belief and form.
